JDTREA
JOURNAL OF DAESEON THOUGHT & THE RELIGIONS OF EAST ASIA

In 1992, Daesoon Academy of Sciences (DAOS) was established at Daejin University. This academy publishes research papers on Daesoon Thought multiple times each year. The Journal of Daesoon Thought and the Religions of East Asia (JDTREA) is an international collaboration, supported by the Daesoon Academy of Sciences, but with a global outlook. The journal has an international advisory board of senior scholars, who have different academic backgrounds but share a research focus on religions. JDTREA publishes research on the philosophical thought within Daesoon Jinrihoe and other Korean religions, and more generally, the journal also examines the religions of East Asia from various academic perspectives. The type of papers sought by our call for papers is listed below. We look forward to your interest and participation.
